If you have an advertisement or an article you would like to submit for this newsletter we publish them Please quarterly. ensure that articles reach us by the **14th** May, 14th August, 14th September for distribution in the first week of the following month.

Lisa Ramping 552631 & Jill Goodwin 551851

A New Year - so we are trying a new front page designed by Mike Rampling and using village photographs taken by Lesley Nichols, our village photographer, to reflect the changing seasons. We would like to thank Joan Smeaton for the logo she kindly painted for us when we changed our previous format.

We would like to welcome our new Parish Priest, Rosemary and her family to the area and anyone else who has moved into our lovely village. We hope you will find lots to do and enjoy some wonderful walks as the weather improves.

As always there is lots going on in the village and plenty of opportunity for everyone to get involved with. If you are not keen on joining a club there is always our village 'clean up' and 'summer planting' day as well as Bingo, Race Night and Country and Western evenings. The village hall is usually fully booked with classes and from the 27th February will include a new Yoga class (see page 16). I am sure you will agree there is something for everyone.

We are always keen to receive news, articles and photos. We were delighted to receive the owl pictures from Tony O'Meara (see page 21). We would also like to have news from Farriers Grange as Julie Bonner is no longer able to keep us informed on what is going on at that part of the parish.

On a sad note we are aware that since our last edition in December there have been a few deaths in the village. Whilst we have not heard directly from the families we would like to offer our condolences. We do print brief obituaries if requested to do so.

Finally – in our last edition we included an article from UK Power Networks about an 'extra support service' in the event of a power cut. The contact number given was incorrect and we now understand it is 0800 31 169 9970 or email psr@ukpowernetworks.co.uk

Lisa and Jill

Parish Council News

Spring Clean Up

The spring litter pick and tidy up morning is being held on <u>March 25th starting at 10</u> <u>am – 12 noon</u>. Light refreshments will be provided to all volunteers. There will be tasks for all ages and abilities so please do come along and give up a couple of hours to keep the village neat and clean.

Moulton in Bloom

I was really pleased when attending a meeting of our local Parish Councils to hear how other villages have been inspired by the floral displays in Moulton. I also hope that the new tree planting will add to the overall look of our wonderful village. I would like to thank Dorothy Bowes and her team of volunteers who are planning another planting day on <u>Sunday 14th May between 10am and 12 noon</u>. I am sure this year's summer flowers will be as lovely as last year.

Footpaths

We have been told that work will start very soon on the extension to the footpath along School Road. This will make access to the school safer. In conjunction with Kentford Parish Council we are continuing to pressure the County Council to establish a safe walking route from Kentford to Moulton School. The long term aim is to have this paved into a proper footpath as finances become available.

Governance Review

Forest Heath District Council are just starting a governance review which involves them looking at boundaries between parishes to ensure that they represent the best interest of residents. It is likely that our boundary at Kentford End will be altered to move all the new houses into Kentford Parish.

Kennett Developments

Many of you will have seen in the press and in CB8 that there is a proposal to build a large development of between 500 and 1000 new houses opposite the primary school in Kennett. The Parish Council have looked at and considered the proposals. We believe that if the developers build this scale of development then the current road network is not sustainable as there is already gridlock of traffic at peak times at The Bell crossroads. In our opinion if this development goes ahead it must be accompanied by a link road between the A11 and A14 diverting the traffic out of Kennett and Kentford. We will continue to campaign for this.

Speed Watch

As a result of the speed monitoring that has gone on over the six months or so the Police will be doing more speed enforcement checks through the village and will be issuing fines and endorsements. Please do keep your speed down and drive carefully. The Council continue to thank Tim James and the team of volunteers who go out in all weathers to monitor and report speeding vehicles.

Luncheon Club

On the last Tuesday of every month at 1.00pm residents of all ages are invited to come and enjoy homemade soup, cakes and tea/coffee at the Village Hall for ± 2 per person. This is a great opportunity to meet new people and renew friendships. If you haven't already come down, do come along and taste some delicious food.

200 Club

Last chance to join the MVH 200 club by paying £26 subscription for an annual membership not only are you helping the village hall but you also have four chances a year to win a cash prize (see page 26).

Bill Rampling

St Peters Church News

Our New Year began with Good News.

Following the Section 12 meeting last autumn with Bishop Martin Seeley an interview followed, and an appointment was made. Reverend Rosemary Ives Stewart Rycraft was duly Licensed and Installed as Priest in Charge of the Benefice of Dalham, Gazeley, Higham, Kentford and Moulton by the Rt. Revd. Martin Seeley, Bishop of St Edmundsbury & Ipswich and the Ven. Dr. David Jenkins Archdeacon of Sudbury.

All Saints' Church Gazeley was the venue and on Sunday January 29th the Procession entered at 3.30pm.

Our first hymn, 'O Praise ye the Lord! Praise him in the Height' set the atmosphere splendidly for this service of praise, commitment and community. The opening words were spoken by Bishop Martin.

"We have come together to give thanks for the life of the community in this place, and for all who have done God's work in it; and to pray for Rosemary, now to begin her ministry here, that she may have joy, courage and hope; and for ourselves, that we may be renewed in the work of God's kingdom.

Let us pray that the people of God in all the world may worship in spirit and in truth.

Lord, hear us, Lord graciously hear us".

His sermon was framed around the reading from Matthew's Gospel 2: v1-12 'Visit of the Magi' and he emphasised those gifts we receive from God and the gifts we can give to others. The benefice choir performed 'The Call' by Ralph Vaughan-Williams, then the Act of Commitment to Ministry began.

Some of the children from Moulton Primary School brought forward to the Bishop the elements of ministry. At certain intervals, each item was presented, particular words were read by the Bishop and responses made. The bible, Rosemary placed on the lectern, the water in the ewer was taken to the font, the bread and wine were placed on the altar, as was the oil. The bowl of water and the towel were placed near the Bishop. During this part of the service the Lay Chair of the Mildenhall Deanery, with Rural Dean John Hardy and the Archdeacon of Sudbury all contributed readings, or questions to Rosemary and

the congregation. The children, guided by Mrs Shipp and Mrs Gilmore, showed a caring thoughtfulness during a hugely significant occasion.

There followed the Licensing, the Declaration of Assent, the Oath of Allegiance to the Queen, and the Oath of Canonical Obedience. The Archdeacon installed our new priest with these words,

"Rosemary, as I place you in this stall, accept with joy your new commission to preach the living word of God, to administer the Sacraments of eternal life, and to guard and strengthen the flock that has been committed to your charge. May God keep you in his care, may Christ empower you with his love, and may the Holy Spirit lead you in the ways of truth and peace, this day and for evermore". Amen.

Representatives from the local churches and communities were then introduced to Rosemary to welcome her as our new Priest in Charge. We sang the fifth and final hymn, then joined the many who shared in a delightful afternoon tea in Gazeley Village Hall. We are very grateful to Lesley Nichols for the photographs of the Licensing Service.

Reverend Rosemary Rycraft can be contacted at The Vicarage, The Street, Gazeley CB8 8RB.

Telephone 01638 750783 email rosemaryrycraft121@gmail.com

After Rosemary's first Family Service at Moulton on February 5th we gave her a card entitled 'New Beginnings' with these words for us all -

"A variety of people worship at St Peter's, others visit church for private prayer, come to the churchyard, walk along the pathways, support our fund-raising events, help with flower arranging, cleaning, strimming, clock-winding, bell-ringing. Some join the festival services at Christmas and Easter, or come for family reasons, Baptisms, Weddings or Funerals. Other Friends of St Peter's use their expertise, time and energy to assist with the upkeep and maintenance, some give financial support, or contribute to the Church Floodlighting Scheme.

On behalf of everyone, 'Welcome Rosemary'. We look forward to this new year". Why not come and meet her at one of our services between now and Easter.

Early Notice: The 2017 Annual General Meeting of St Peter's Church Moulton Parochial Church Council will be on Wednesday 19th April at 7.30pm in the church. You are very welcome to join us.

We will be reviewing a very successful year for St Peter's Church, not least the completion of the Toilet and small kitchen area newly installed in the tower. The very generous support from everyone made this possible. The Harvest Supper raised £786.20, the Christmas Fair - £1214.75. including sales of the Moulton Calendar. The improved facilities in church have been greatly admired and well used. The 'Traditional Jazz Evening' in December just one example of new community use.

The surprise item to start 2017 was the successful bid for a grant towards the cost of installing Roof Alarms on St Peter's Church. The Suffolk Historic Churches Trust has enabled many PCC's with 50/50 funding to protect their lead roofing that attracts unscrupulous types anxious to convert their ill-gotten gain into cash.

We are always grateful to the friends of St Peter's who keep a 'weather eye' on our sacred building. If you notice anything untoward at any time please let us know. Thank you.

1st Moulton Scout Group

The 1st Moulton Scout Group provides a very wide range of activities for the young people in Moulton and surrounding villages. The group consists of Beavers, Cubs and Scouts with ages ranging from 6 to 14 years with about 60 youngsters and leaders involved. The Beaver section is currently looking for a new leader to assist with organising and running short activity sessions with the 6 to 8-year-old Beavers on Tuesday nights at Moulton Village hall. The Scout Association provides training and uniform and there is help and guidance from the current leaders to guide any new leader. It's a good social role with some great satisfaction to be gained from being involved.

If you think you may be interested and can offer a couple of hours per week to help, then please let us know. Your age is irrelevant to us, as are your skills. If you know anyone, young or old that could help we would be very happy to talk to them.

Shop and Post Office News

Mike & I want to say "Thank you" to all our customers who continue to place orders with us at Christmas for Turkeys/ Hams/Bread/Fruit & Veg etc. From the feedback we have been given everyone seems happy with the orders they received, another successful year!

On 1st March 2017 we will be embarking on our 11th year

running the shop & Post Office. We have gone through a lot of changes in the previous 10 years, but we like to think that the changes have been seen as improvements as we strive to enhance our business. We are keen to listen to our customers & hope by doing so we can provide you with the service that meets your wishes.

Thanks to all the team who work for us (not forgetting were Haribo!) who overall mostly make us laugh, with only the occasional tear! It wouldn't be "The Best Shop in Moulton" without you all

Moulton Walking Scene

Thirty-nine people walked with Moulton Wanderers in 2016 and between them they covered more than 2,250 miles around Moulton, Gazeley, Cheveley, Barrow and Kings Forest. Two walked in excess of 150 miles and ten over a hundred.

Moulton Wanderers at the Kings Forrest on 10th January 2017

Regular Wanderer Keith Humphrey (2nd from the right) who travels from Haverhill every week is member of *Jazz Inc.*, a traditional jazz band, who kindly gave of their services at St.Peter's Church on 17th December for an end of year social which went off well and raised £150 for the church.

The **Moulton Wanderers** continue to meet at the Village Hall at 10am on Tuesdays as does the warm welcome to any newcomers.

The walks vary in distance depending on the ability of the walkers who turns up and newcomers are advised to contact Ron Wallwork prior to their first walk. It costs nothing to walk with the group.

Diary Date: The **Annual Moulton Walks** are scheduled to take place on Saturday 3rd June this year. The senior event is over 5 miles and the challenges are: a) walk the five miles and b) for those with a competitive nature, walk it inside the hour. More details in next issue of Moulton Matters.

Walking because it is a low impact activity (ie. easy on the joints), is a wonderful way to socialise and keep fit. Moulton is fortunate; it is situated in beautiful walking country and in addition to numerous dog walkers has three formal groups that operate within the village.

Race and Nordic walking are ideal for people who want to get really fit and who enjoy a challenge.

Anyone requiring further information about Moulton Wanderers, Race or Nordic Walking, don't hesitate to get in touch with: me Ron Wallwork on 01638 751869 or <u>ronc893moulton@gmail.com</u>

Luncheon Club

On the last Tuesday of each month a group of us prepare homemade soup, cakes and tea/coffee. Please do come along and join us.

We meet at 1pm until 3pm and the cost is only $\pounds 2$ per person.

Nordic Walking: Fitness for all

As the days get longer and we head into spring, what better reason to start making the most of the great outdoors than sporting poles whilst out walking. Far from being walking aids, these poles signify that the energetic users are early adopters of the UK's fastest growing sport: Nordic Walking.

Nordic Walking derives from cross country skiing and is an effective total body work out that can be enjoyed by anyone regardless of age, gender, fitness, ability, or size. If you walk you can Nordic Walk. The correct use of the poles switches on the large upper body muscles, muscles which are often overlooked, thus increasing cardio-vascular output; toning upper arms and waist; reducing neck and shoulder tension; improving posture; as well as increasing the number of calories burned, thus aiding weight loss. The poles also turn the participant into a four legged animal, which vastly reduces the impact on ankles, knees and hips, making this a gentle, albeit affective, form of exercise. Studies have proven a reduction in risk of type 2 diabetes, heart disease, and a lowering of the

blood pressure by people who regularly engage in Nordic Walking.

Mary Tweed and Katharine Green, of Nordic Walking East Anglia, teach the internationally recognized British Nordic Walking ten step technique over courses in the Clare and Bury St Edmunds areas. Participants progress through the course until they have mastered the basics, at which point balance, strength and cardio-vascular exercises are introduced. Classes are fun and sociable and give walkers the opportunity to make the most of exercising in the fresh air. Mary and Katharine supply poles, so walkers simply need to turn up wearing comfortable clothes and a good pair of

walking shoes. If your ambition is to improve your health and fitness, then please get in contact; either email info@nordicwalkingeastanglia.co.uk or call Mary on 07931 580648 or Katharine on 07789 872435 to find out more.

New Year's Eve at the Hall! WOW! What a party!

The New Year's Eve party organised by the Moulton Village Hall Management Committee will go down in village history for two reasons:

1 It was the Best New Year's Eve party in the new hall.

D J Ron played soft background music whilst guests were served their mozzarella and tomato salad followed by a hot roast pork dinner. At this point Jill introduced the evenings singing sensation – Neneth.

She began the first of her two performances singing some low beat well known songs which gave guests the opportunity to eat their desserts and drink their coffee listening to the dulcet tones of Nen's beautiful voice. Neneth then turned the tempo up and people were soon on the dance floor. After over an hour of singing Neneth took a break and the DJ played some great dance songs to keep everyone on their feet dancing. There were lots of raffle prizes won in the interval and then at 10:45 pm Neneth began her second session. We were all mesmerised by her renditions of Whitney Huston's I will always Love You and Somewhere from West Side Story. Those on and off the dance floor were singing along. As 12 midnight approached everyone was on the dance floor to see in the New Year and the party went on until 12.30 am. Everyone agreed that the entertainment had been first class and Neneth's performances had been stunning.

2 With only 43 tickets sold it was a really disappointing turnout especially as it was raising money for the Village Hall.

The event made a profit of $\pounds120$ thanks to the generous donations of raffle prizes by the hall's user groups.

Barn Owl photos – Antony O'Meara

Antony and Linda O'Meara were working in their garden in Maltings Close recently when they noticed a large bird flying in the field next to their bungalow.

Tony said that at first they were not sure what the bird was as they see a lot of different birds around the garden and field behind them. The bird landed onto one of the fence posts and then continued to fly up and down the field. As it continued to fly around it was getting nearer to where they were. Eventually the barn owl flew towards Tony and landed on a fence post nearby and he was able to take these stunning photos.

Discover 12 fascinating facts about the beautiful barn owl.

1 The barn owl was voted Britain's favourite farmland bird by the public in an RSPB poll in July 2007.

2 Historically, the barn owl was Britain's most common owl species, but today only one farm in about 75 can boast a barn owl nest.

3 Barn owls screech, not hoot (that's tawny owls). To hear the cry of the barn owl, and other British owls, visit the Barn Owl Trust website.

4 The barn owl can fly almost silently. This enables it to hear the slightest sounds made by its rodent prey hidden in deep vegetation while it's flying up to three metres overhead.

5 The barn owl's heart-shaped face collects sound in the same way as human ears. Its hearing is the most sensitive of any creature tested.

6 Barn owls are non-territorial. Adults live in overlapping home ranges, each one covering approximately 5,000 hectares. That's a staggering 12,500 acres or 7,100 football pitches!

7 It's not uncommon for barn owl chicks in the nest to feed each other. This behaviour is incredibly rare in birds.

8 In order to live and breed, a pair of barn owls needs to eat around 5,000 prey items a year. These are mainly field voles, wood mice, and common shrews.

9 Though barn owls are capable of producing three broods of five to seven young each year, most breed only once and produce, on average, only two and a half young. 29 per cent of nests produce no young at all.

10 91 per cent of barn owls post-mortemed were found to contain rat poison. Some owls die as a direct result of consuming rodenticides, but most contain sub-lethal doses. The effects of this remain unknown.

11 In a typical year, around 3,000 juvenile barn owls are killed on Britain's motorways, dual carriageways and other trunk roads. That's about a third of all the young that fledge.

12 Everyone can help barn owls. Leave a patch of rough grassland to grow wild thus creating habitat for voles, erect a super-safe deep nest box, volunteer for your local barn owl group, switch to non-toxic rodent control and support charities working to conserve the barn owl.

Moulton Veterans 2016-2017 Mid Season Update

Moulton Vets have a new Manager – Pete Saunders & Asst. Manager Ian Spinks!

Our season got off to a winning start in the League after a couple of friendly (in name only) 3-3 draws v Newmarket & West Wratting.

On November 11th 20 players left Moulton on their first international tour to Dusseldorf to play against a Dusseldorf select team of chefs & waiters and lost 3-2 with the winning goal scored by a 68 year old Mr Miagi lookalike who lobbed our 6'3" goalkeeper from 35 yards!

The Tour was great fun where we all learnt from Peter May that a tram goes underground in Dusseldorf, meeting at the Irish Pub was anywhere in the Town Centre & I will wait for you in Dunkirk meant checking in for a cancelled Ferry, whilst everyone else caught the next sailing out of Calais!

Our Cup runs were cut short on our return (nothing to do with our Tour!) before the Winter break with defeats in the Suffolk and Cambs League Cup.

The New Year got off to a winning start with a victory over Cheveley in the Inter Village County Cup, followed by wins against Studlands and Ridgeons.

Next up are Cambridge Ambassadors on Sun 26th Feb 1.30pm KO where another win could take us Top of the Table.

Moulton Veterans continued. Upcoming Events

Pete Saunders is 60 years young and can be found @ The Affleck on Friday 10th March from 7.30pm

Dorchester Tour 22nd & 23rd April 2017

Thank you letter from Joan Smeaton

Dear Jill

If you have room in your next edition of Moulton Matters would you please thank the lovely people of the village and the neighbourhood for all their best wishes, cards, phone calls tasty homemade suppers and above all HELP with all the things I was unable to do for myself.

The shop, Mils and Cathy and their kind staff making sure I had all my necessities by delivering them to my door. And last but not least my wonderful dog walkers who made sure that Winnie had her exercise and was still able to see her doggy friends.

When you are a stubborn old fool like me who had an argument with a dustbin on a dark wet evening and ended up in Addenbrookes for 2 weeks just before Christmas you couldn't live in a friendlier village than Moulton! I did have excellent professional carers who helped me to gain my independence once more but the friends and neighbours were the back bone to my recovery.

Thank you and God Bless

Joan Smeaton

Moulton Community Choir - Spring 2017

The uplifting Open Door Advent Carol service at St Etheldreda's church on December 5th was well attended and our new piece the appropriately named Open Door Carol composed by one of our choir members Catherine Teale was much appreciated . We also sang the ever popular Streets of London by Ralph MacTell.

Our annual carol singing evening at the cosy surroundings of the Afleck Arms in Dalham played to a packed house literally! The pub's regular patrons and landlady Jackie joined in with gusto as the carols and festive songs were sung and we all enjoyed the mulled wine and mince pies afterwards

Some of our members also sang at the beautifully decorated Ashley Church during their Christmas tree and flower festival weekend. The welcome was very warm although the slightly lower ambient temperature in the church required us to keep our coats on during the performance. The accompanist's piano accordion managed to wheeze its way through some of the carols, but had to be replaced by recorder accompaniment as the temperature dropped and the bellows seized up! The delightful small children in the audience were then invited up to lead us in a rendition of the old favourite Away in a Manger, their initial shyness being overcome by the provision/bribe of a multitude of small percussion instruments for them to enthusiastically shake and bang!

Tattersalls Sale ring provided another great venue for the Rotary Club's Charity carol service in December. Our rather eccentric choreographed interpretation of the Christmas song Sleigh Bells was augmented by choir members wearing reindeer antlers, angel halos and wings, elf hats, twinkling fairy lights, and tinsel boas. Judith Fisher our choir director and conductor tried to keep some semblance of order with the aid of a purple tinsel embellished driving whip, but the addition of a decorated hobby horse and a very scary, some might say deranged, bell ringing Father Christmas, proved to be a severe test of her authority! The audience and members of Newmarket Town Band loved it though and much unintentional hilarity ensued throughout the performance!

We have been delighted that Judith Fisher our first musical director has been able to return during term time on alternate Tuesdays evenings to arrange our future repertoire for this year and share her expertise in vocal technique and performance.

The choir has been invited to perform at the joint festival of Choirs in St Mary's Church Newmarket on Saturday June 10th. We will also be holding our annual "Songs for a Summer's Evening" Concert in St Peter's Church Mouton early in July.

Our repertoire for 2017 will include songs from The Roaring 20s, uplifting Spirituals, A Flanders and Swann medley, Songs from the 70s, A Barbara Streisand love song, and Sam Smith's latest Bond theme song Writing's on the Wall.

The choir continues to practise and rehearse each Tuesday from

6-45 pm to 8-15 pm in Moulton Primary School.

We are always ready to welcome new members and

for further information about joining or booking the choir please contact

MOULTON VILLAGE HALL 200 CLUB 2017 (Registered Charity No. 1002083)

As you are aware, the village has a fantastic village hall which is in use more than ever before and it has become a focal point of the village. Although the hall is up and running, we still need funds for maintenance and improvements. The 200 Club is a great way to assist in helping to raise the funds required, whilst giving you a chance to win some cash back for yourselves. This year we had 100 subscribers raising over £1,000 towards the hall.

During 2017 there will be four draws – Spring, Summer, Autumn and Christmas. Our last draw for 2016 will be at the Christmas Fayre. For a subscription of £26 a year (that's just 50p a week), each subscriber has the chance to win cash prizes; the more subscriptions taken up, the larger the cash prizes! So please join us – new members are very welcome – by completing the form below and returning it to us.

Jackie Chapman – Organiser Paul Varley - Treasurer

Please enrol me as a member of the MVH 200 Club for the year beginning 5 th January 2017. Members must be over the age of 16.
I wish to purchase Subscription(s) @ £26 each

Did you know your pets need to see the dentist too?

f

Dental disease is not just a cosmetic issue. Red gums, yellow teeth and bad breath can be a sign of serious oral disease which, left untreated, can cause infection and pain, seriously impacting your pet's quality of life. Bacteria from the mouth can even enter the blood stream, causing damage to vital organs such as the kidneys, liver and heart.

Your dog's and cat's teeth develop a build-up of plaque just like ours do. When plaque isn't brushed away, it hardens and forms tartar which, if not treated, can cause gingivitis (inflammation of the gums).

The good news is that the majority of dental problems are treatable, and nearly all are preventable.

During February and March we are focusing on oral care at Ash Tree Vets, offering information and advice, alongside some exciting special offers.

Free Dental checks with one of our Vets

10% off all dental treatment* 10% off preventative dental products*

(*PLUS an additional 10% off if you are already a member of our Healthcare Plan)

The Countryside Code

After an horrific incident recently when a dog killed some sheep (not in our village thankfully) one of our readers suggested we remind everyone about the Countryside Code. We all love our dogs and think they will never do any harm to animals or anyone, but sadly that is not the case.

We are just starting lambing time in the village and it's such a wonderful sight to see the ewes and lambs in the meadows. Children especially always love to see the lambs. So please....keep them safe and keep your dog on a lead.

We all have a responsibility to protect the countryside now and for future generations, so make sure you don't harm animals, birds, plants or trees and try to leave no trace of your visit. When out with your dog make sure it is not a danger or nuisance to farm animals, horses, ponies, donkeys, wildlife or other people

- keep your dog on a lead, or
- keep it in sight at all times, be aware of what it's doing and be confident it will return to you promptly
 on command
- ensure it does not stray off the path or area where you have a right of access

It's always good practice (and a legal requirement on 'open access' land) to keep your dog on a lead around farm animals and horses, for your own safety and for the welfare of the animals. A farmer may shoot a dog which is attacking or chasing farm animals without being liable to compensate the dog's owner. A court could also decide that your dog is dangerously out of control if either of the following apply:

- it attacks someone's animal
- the owner of an animal thinks they could be injured if they tried to stop your dog attacking their animal.

A farmer is allowed to kill your dog if it's worrying their livestock. Everyone knows how unpleasant dog mess is and it can cause infections, so always clean up after your dog and get rid of the mess responsibly – 'bag it and bin it'. Make sure your dog is wormed regularly to protect it, other animals and people.

A farmer will normally close gates to keep farm animals in, but may sometimes leave them open so the animals can reach food and water. Leave gates as you find them or follow instructions on signs. When in a group, make sure the last person knows how to leave the gates.

Hare coursing is a banned blood sport and is an illegal activity, yet it unfortunately remains common in Suffolk. It is the pursuit of hares using hounds and usually takes place toward the end of August or start of September.

The Hunting Act 2004 made hare coursing illegal and anyone convicted of the offence can be fined up to £5,000 by a Magistrates' Court.

The most obvious sign is a group of vehicles parked in a rural area perhaps by a gateway to farmland, on a grass verge, on a farm track or bridle path. There will usually be estate cars, four wheel drives or vans. If witnessed, such illegal activity should be reported to the police asap.

For more information check out the website:

https://www.gov.uk/government/publications/the-countryside-code/the-countryside-code

Speed Watch

During 2016 a total of 336

vehicles were recording speeding at 35 mph or over. This was carried out over 27 hours. The average speed of those over 35 mph was 39 mph. The highest recorded speed was 57 mph.

From April we started to note the quantity of vehicles at under 35 mph. From April to December there were 282 vehicles at 35 mph or over and 2097 vehicles were

under 35 mph. This equates to 11.85% of all vehicles passing at 35 mph or over.

In the later part of last year and early this year there has been some Police presence in the village leading to many prosecutions, we just need them here on a regular basis. With the weather improving we should be out and about again soon. Several sessions in January had to be cancelled due to poor conditions (the camera doesn't function properly in adverse weather conditions, nor does the operator).

Many thanks to the team of volunteers that helped in 2016. If anyone else would like to give it a try please contact me. Tim James 07768798066 timjam@hotmail.co.uk

Oil Ordering Scheme

This scheme operates to negotiate a discounted price with local oil suppliers and also to minimise the number of tankers coming into the village as they are able to do a multi drop of oil deliveries.

The December 9th order was for 35 deliveries and the price was 39.60p per litre. A total of 22,600 litres were delivered.

The January 30th order was for 56 deliveries and the price was 42.25p per litre. A total of 36,650 litres was delivered.

On the 14th February an additional order for 18 deliveries was requested and the price was 44.36p per litre. A total of 12,600 litres was delivered.

Dates for deliveries for 2017:

March 24th May 15th September 4th November 27th

To place an order call Lesley James on 01638 482012 or email moultonoilscheme@outlook.com

Bundles of Joy

Back my popular demand: We will join the reserve team to bundle some cut reeds which we will use to thatch our viewpoint shelters. We will then return to the visitor centre for a well earned biscuit and hot chocolate. All tools will be provided! Please wear clothes that you don't mind getting mucky and we recommend that you wear wellies.

This is a Wildlife Explorers club meeting that is suitable for children aged between five and twelve.

Children £3 (Non-members), Children £2.50 (Members) All children must be accompanied and accompanying adults are free. No need to book. Price includes car parking.

Sunday 19 March

Barn owl walk

4pm-6.30pm

Join us for an afternoon walk of around two miles to see the barn owls that call the reserve home.

Please wear plenty of warm clothes and walking boots or wellies. Adults £6/ Children £3 (Non-Members) Adults £4/ Children £2 (Members) Price includes car parking

Outdoor clothing and footwear is essential and binoculars are recommended. Booking is essential for all events unless stated otherwise.

For all enquiries and bookings, please contact: 01842 863400 or email: lakenheath@rspb.org.uk

Other Information: Most events have outdoor components so please dress appropriately. Stout footwear and warm, waterproof clothing are strongly recommended. We suggest you bring a torch to evening events.

The RSPB is the country's largest nature conservation charity, inspiring everyone to give nature a home.

The RSPB is a registered charity in England & Wales 207076, in Scotland SC037654

Report by David White Visitor Experience Officer, RSPB Lakenheath Fen

Will they or won't they?!

If you, like me, spend some of your downtime birdwatching in the local area, chances are, you will have noticed that there are more egrets around than there used to be. These pure white members of the heron family are extremely elegant and never fail to brighten up my day.

There are two species that you are now quite likely to see, especially if you come and visit RSPB Lakenheath Fen. These are the little egret and the larger great white egret. Both species used to be rarities in Britain, but they are now increasing every year on our shores.

The little egret is smaller than a grey heron and is pure white. It even has an extravagant plume during the breeding season. Little egrets first nested in Britain in 1996 on Brownsea Island in Poole Harbour, Dorset. As I was born in Poole Hospital, which overlooks this beautiful island, little egrets have always had a special place in my heart. Indeed, my father took me on my first "twitch" in around 1993, aged eight, to see my first ever little egret, which was feeding in Lytchett Bay, which is around 10 minutes walk from the house I grew up in. I am pleased to say that less than 25 years later, there are now around 1000 pairs nesting across Britain. How times change!

The larger great white egret, which is similar in size to a grey heron, is white with a yellow beak. This is a slightly more recent coloniser to Britain. When I saw my first one (which was coincidentally in the same place as I saw my first little egret, Lytchett Bay) in 2005 this species was still a rare visitor to this country. However, this species nested for the first time in Britain in 2012, at RSPB Ham Wall in Somerset. We regularly have a couple of great white egrets wintering on the reserve and up to four are present on the reserve as I write this article in late January.

We are therefore asking ourselves will they (great white egrets!) or won't they nest here at RSPB Lakenheath Fen this year. Birds have been displaying over the reedbeds during the last two springs so we are hoping that this year will be the year that they finally attempt to nest here. Whereas little egrets nest in trees, great white egrets nest in reedbeds. Fortunately, we have a large area of reedbed here at Lakenheath Fen so fingers crossed!

The good news is that both species can regularly be seen from the Washland viewpoint, which is only a five minute walk from the visitor centre. You therefore don't necessarily need to walk too far to see them! If you do come looking for little egrets and great white egrets on the reserve over the next couple of months, we hope you see them!

Report from Robin Millar, County Councillor

It has been another busy few months across the County.

Highways continues to be a hot topic and has certainly been high on the council's agenda over the past year. The reducing budgets and large backlog of works called for a major transformation of the service to maximise output and impact.

The main changes that have been rolled out over the past year as part of the transformation have included the creation of integrated teams. These have delivered 2.5 million square metres of surface

dressing between April and August 2016 with a similar programme planned for this year. It has also seen the creation of teams to specifically deliver schemes funded from County Councillor Local Highways Budget and the delivery of drainage programmes.

This has caused some disruption as the old area teams are now rolled into a central, Ipswich based function. I understand the need for consistency across the country but the truth is the Western Area team performed well. I have made a point of tracking down the new financial controller and building that relationship; so much of getting things done comes down to developing good working relationships. (Although I must say when he gave me his details in Ipswich I told him I was in Newmarket and he can visit me as easily as I can him!)

The transformation programme has also focused on more innovative ways of working such as adopting the use of the '15 minute delay' traffic management option (rolling stop) for small repairs as opposed to expensive road closures and temporary traffic lights.

We have begun to see the benefits of these changes locally with the recent resurfacing works in the village. We were able to incorporate into these works specific attention to particular issues you raised. These included the layby outside 24/26 Chippenham Road, reinstated white lining next to the shop and the replacement of all broken and loose kerbstones.

Looking ahead, designs have also been drawn up for the footpath outside the school. I am pleased to report that the scheme had been ordered and I am pressing for a date for commencement for these works. I hope it can take place during the Easter holidays. Any surplus Section 106 funds which have been allocated for this project will go towards other improvements in the village. I believe the Parish Council are due to consider these at their February meeting.

I started with a comment on the busy-ness of the County Council work and it shows little sign of easing in 2017. Our recent budget announcement (a zero general rate rise and 3% increase on the social care element) highlighted the continuing pressures on the budget. I intend to offer myself as your councillor for the next four years at the May election, and if re-elected, within a Conservative administration will hope to continue with the important questions of reform that face all levels of government.

Finally, I would like to take this opportunity to thank you for the chance to work with you over the last twelve months and offer you all good wishes for the year ahead.

Cllr Robin Millar
