

## **Moulton Charity Report**

The Charity has had another satisfactory year. Sadly, one of our tenants died during the year, but we are in the process of finalising an agreement to let the land to new occupants.

The Trustees continue to seek suitable beneficiaries for distribution of the Charity's income, but there are very few regular hardship cases who qualify. The Trustees have also supported other village community projects during the year, but continue to urge members of the village to bring suitable opportunities to our attention. We are grateful to those who have done so during the past year".
